The 22nd meeting of the Rochester Numismatic Association was held at the municipal museum Tuesday evening Jan. 3, 1922. 8.30 P. M.

Mr. Geo. A. Gillette, president of the Rochester Numismatic Association for the ensuing year; upon taking the chair to preside at this his initial meeting, found his call to order greeted by an outburst of cries for speech.

Whereupon Mr. Gillette complied, and in a few closed words expressed his thanks for the honor bestowed upon him and said that he sincerely hoped the next year would be as successful and eventful as the one just passed.

He further stated that he strongly advocated the future exhibits of coins when ever possible, as the exhibit of fine coins always has a tendency to stimulate the proper interest in Numismatics, and furnished a constant source of joy for the members who attend the meeting. Mr. Gillette called particular attention to the display which adorn the tables this evening, a large number of coins had been secured by two of the members from the recent Chapman sale of the John Story Jenks collection.

The above coins comprised some of the finest and most expensive specimens ever shown at the meetings.

Members present:-

Mr. Gillette	Mr. Loizeau	Mr. Amberg	Mr. Bauer
" Borradaile	" Horner	" Putnam	" French
" Sunday	" Plumb	" Kaufman	
" Haringx	" Woodbury	" Burling	

Communications:- Letters from, A. Reichman Co. Germany; Mr. M. Kinsman Houston, Texas, and member 52.

Motion made:- by Mr. Woodbury seconded by Mr. Plumb, that the usual donation of five dollars be presented to the secretary's stenographers for her services during the past year. Carried.

Motion made:- by Mr. Loizeau seconded by Mr. Horner, that the tenth annual banquet be held Jan. 17, 1922, the secretary be instructed to send invitations to the Rochester Philatelic Society. Carried.

Motion made:- by Mr. Woodbury seconded by Mr. Kaufman, that the resolution drafted for the purpose of expressing the appreciation of the association to the retiring Mayor, Mr. Hiram H. Edgerton for past favors, to be incorporated in the minutes of this meeting. Carried.

Reports of committees:- Banquet committee reported favorably in regard to the arrangements for the tenth annual banquet.

Committee appointed for the purpose of drafting a resolution expressing the sympathy of the association to Mrs. Bostwick in her recent bereavement, were as follows:- Mr. Gillette, Mr. Bauer, Mr. French, and Mr. Loizeau.

Exhibits:- Mr. Gillette and Mr. Bauer, a beautiful collection of early English, Greek, and Roman, also American gold, silver, and copper coins from the recent Chapman sale of the John Story Jenks collection.

Mr. Amberg displayed a German 25 Fennig piece commemorating the 500th anniversary of the Amberg family.

TO HONORABLE HIRIAM H. EDGERTON, Mayor of Rochester, New York,

At the regular meeting of the Rochester Numismatic Association for this year it was unanimously resolved that the undersigned present you the following resolution-;

Whereas we recognize that you have been a leader and promoter in all well directed movements to provide Rochester with facilities for education and lead us believe that we have the best city on earth in which to live and learn and we also recognize that the establishment of the Municipal Museum with its different departments is due very largely to your determined efforts to make the same a source of education and delight to the thousands of visitors at its exhibits each year and that you have spared neither pains or expense to make it thoroughly convenient and enjoyably.

We hereby congratulate you upon your unprecedented record both as to length of tenure of office as our chief magistrate and as to the esteem and affection in which you are held by all our citizens.

We wish especially to show our appreciation and thank you for your untiring efforts in our behalf in furnishing us with the finest meeting place and well appointed rooms and cabinets for our Numismatic Exhibits enjoyed by any such society in the United States.

We further wish to show our affection and appreciation to you personally by wishing that you live long among us and enjoy the satisfaction of seeing the improvements you have fostered grow and thrive for many years yet to come.

Dated December 20 1921.

George A. Gillette

Committee.

Being no further business upon motion duly seconded the meeting adjourned until Tuesday evening Jan. 17. 1922.

W. D. Sunday
Secretary.

The annual banquet and 222nd. Meeting of the Rochester Numismatic Association was held at the Rochester Club on East Ave. Tues. Evening, Jan. 17th. 1922 at 6:30 P. M.

The Officers present were President Geo. A. Gillette, Vice President and Treasurer C. T. Borradaile. Our Secretary Wm. F. Sunday was unable to attend being detained at his home by severe illness.

The members present included W. H. Amberg, Geo. J. Bauer and wife, Claude T. Borradaile, Henry Chapman, Geo. P. French and wife, Geo. A. Gillette and wife, Geo. Haringx, A. W. Horner, F. B. King, A. J. Kaufman, three invited guest's Mr. A. Tickner and wife, Mrs. Leach, A. M. Loizeau, F. M. Merritt, A. H. Plumb, E. D. Putnam, E. L. Stanley, and wife J. C. Woodbury, and L. J. Woolsey and wife, making twenty-five members altogether who were seated at the table in a very cozy and convenient room.

We were served with one of the best Banquets which the Club has ever enjoyed and all present expressed themselves as gratified and pleased with the action of Brothers Loizeau and Bauer of the committee who secured the excellent service of the Rochester Club.

After the banquet the President read regrets from the following who were unable to be present, one from M. Wormser President of the A. N. A. sending his cordial greetings, one from C. F. Clark, W. Hasslain and Max Mehl, and a very characteristic letter from our former President and present chairman of the Board of Governors. H. H. Yawger who had a Merry quip or dig for every member present against whom he could remember ought that was peculiar. He regretted exceedingly that he had been compelled to miss this afirst Annual Banquet which he has failed to attend since the organization of the Club. The President expressed himself as very much pleased with the attendance of our Brothers from out of town.

Henry Chapman who was seeking rest after his strenuous efforts in the great Jenks sale which had eclipsed all former sales held in America was full of Numismatic enthusiasm and who is always a source of inspiration to collectors and students of our beloved science and that F. Merritt had surprised us by coming suddenly from the great Metropolis without any warning.

The Meeting after the banquet was turned over by the President to our genial perennial toastmaster Dr. Geo. P. French who was to give us some newly minted stories that had never before been heard and he was to repeat no story 81 over 51 times nor tell any mentioned by Hays or Andrews, the name of which might be Doughty.

The toastmaster called upon the President, invited guest's, Ex-Presidents and members present which turned the meeting into a very enjoyable experience to all and was agreed a better source of entertainment than any hired talent. In the midst of his duties Dr. French was summoned to the telephone an old lady was at the other end of the wire and she stated "Dr. I am suffering such terrible pain I wish you would come at once and visit me" the Dr. was very impatient with his patient and inquired madam how long have you been suffering with this pain? "She replied over twenty years and oh! Dr. I cannot stand it another minute."

Where upon the Dr. replied, "I have a bunch of twenty-five people here whom I am treating for Dementia Numismatitica and as soon as I am through I will call and attend to your case."

Henry Chapman was called upon and made a very enthusiastic speech and described his experiences of the great Jenks sale and stated that he was very glad to come up to Rochester as a relaxation after the long and trying ordeal of preparing the catalogue and going through with the greatest sale ever held in America which realized considerably over 61,000 dollars and lasted ten days. He also exhibited a very fine specimen of the George Clinton cent.

The proof of the Presidential medal for 1921 containing the bust of Ex-President W. H. Amberg was also exhibited and everyone agreed that it was very flattering and made our Ex-President resemble a young Phoebus Apollo. We know that it will be prized by all the members and we all agreed that every enthusiastic medalist in the A. N. A. should have

a copy in his collection, every one agreed that it was striking in its beauty and contrasted strongly with the homely Peace Dollar recently issued by the Government and passed upon by the Fine Arts Committee and Brother Chapman who had seen other specimens submitted to the Committee criticised the homely and un-American head selected for the Goddess of Liberty. We all agreed that any lady present would have furnished a much better model for an American Goddess of Liberty. The opinion was expressed that any man compelled to sit opposite such a face all his life would have aroused in his system the belligerent feelings of war rather than the benign sentiment of Peace which the coin was designed to commemorate.

Every one present agreed it was a shame to have such a homely coin, poor in design, sloppy in execution and evidently the result of haste and carelessness representing for years to come an event which should have been much more suitably commemorated.

A committee of Congress could if composed of blockheads have selected a better design for a coin than did the so called Fine Arts Committee who selected this type of Goddess of Liberty the A. N. A. or any other American society would be ashamed of such medallie art.

The best genius and talent should be selected for any future American coinage.

Outside of this unpleasant subject every other matter discussed was pleasant and entertaining.

The men enjoyed smokes and the ladies boxes of candy, after spending a very evening the annual banquet closed at an early hour with everybody happy.

A handwritten signature in blue ink, appearing to read "J. H. Monday", is written over a horizontal line.

ROCHESTER NUMISMATIC ASSOCIATION ANNIVERSARY MEDAL.

The tenth medal of the presidential series of the Rochester Numismatic Association has just been issued, and is illustrated here.

Like preceding issues, it bears on the obverse the portrait of the President of the Association of the previous year, who in this instance was Woolfe H. Amberg. The portrait is an excellent one. The obverse die was made on a pantograph machine from a wax model taken from a photograph, the die-cutter being the Bastian Bros. Company of Rochester, this firm having produced the other medals of the series. The reverse of the medal is from the die used on the series.

SECOND OF THE SERIES OF BELGIAN MEDALS.

The second of the series of historical medals dealing with the part Belgium played in the World War has been issued by the Societe Les Amis de la Medaille d'Art de Belgique, and is entitled "The Defence of Liege." It was designed by Josue Dupon. The medal is struck in a copper colored bronze and measures 2 3/4 inches in diameter. (Specimen from J. deLagerberg, New York City.) Mr. deLagerberg writes that he is in receipt of a letter from Mr. Victor Tournear, who says that this "is the most artistic medal struck by our Society to date." (See THE NUMISMATIST for November, 1921, page 530.) (Illustration is reduced.)

The obverse shows the city of Liege, symbolized by a seated nude female with manacled wrists, under the guard of Germany, symbolized by a none too attractive eagle. A crown above separates the two dates, "1914" and "1918." Below, POUR LA CIVILIZATION (For Her Civilization). The reverse shows a large gun in action, atop of which stands the Belgian lion in an unpleasant and determined mood. The city of Liege is shown in the dis-

tance. Inscription, LIEGE ARRETE L'ARMEE ALLEMANDE (Liege Stops the German Army). Below, 4-16 AOUT 1914.

A MEXICAN MEDAL FOR U. S. GRANT.

At this time, when the Grant Memorial coins are being distributed and when attention is being directed to the career of the great General of the Union Army of the Civil War, the medal illustrated here will be of interest. It was exhibited at the March meeting of the New York Numismatic Club, at which the medals and tokens of Grant was the principal topic.

The medal is an issue of Mexico, and the inscription on the obverse states that it was "A ULISES S. GRANT LA ESCUELA DE BELLAS ARTES DE MEXICO 1880" (For Ulysses S. Grant. The School of Fine Arts of Mexico, 1880). The reverse shows the Aztec calendar stone. It is struck in bronze and is the size of illustration.

Can any of our readers give any information as to the occasion on which it was struck?

PROCEEDINGS OF THE A. N. S. ANNUAL MEETING.

The proceedings of the 64th annual meeting of the American Numismatic Society, New York City, have been published in pamphlet form. The report of Secretary Noe showed that the total number of members of all kinds is 593. The report of Curator Wood showed that there were accessions of 11,545 numismatic specimens during the year from 108 donors. The Saltus Award Medal for distinguished achievement in art was reported as having been presented to John Flanagan, and the Huntington Medal, for distinction in writing in the field of numismatics, was awarded to M. Ernest Babelon, curator of the Bibliotheque Nationale's department of coins and medals. A list of the officers and members of the Society is included in the pamphlet, and the treasurer's report accompanies it as a supplement.

MINNESOTA HISTORICAL SOCIETY GETS COIN COLLECTION.

President Wormser of the A. N. S. is in receipt of a letter from W. M. Babcock, Jr., curator of the Museum of the Minnesota Historical Society, a part of which reads as follows:

"Perhaps you might be interested to know that the entire numismatic collection of the late Mr. Charles P. Noyes, of St. Paul, a member of the American Numismatic Society, has recently been given to the Minnesota Historical Society by his widow, and a part of it is now on exhibition in the museum. The collection contains more than 3000 coins, representing nearly all the countries of the world. The careful identification of each coin which Mr. Noyes made will make the collection of great value for reference purposes."

The 22nd Meeting of the Rochester Numismatic Association was held at the Municipal Museum Tuesday evening Feb. 7th. 1922. at 8.30P. Present Gillette in the chair .

Motion made and seconded we extend a vote of thanks to Mr. Loizeau chairman and Mr. Gillette, Dr. French, Mr. Bauer of the banquet committee who arranged for the most successful and enjoyable annual banquet. Carried unanimously.

Mr. Bauer just learned of the painful injury of our esteemed Honorary Member Dr. Jeremiah Zimmerman of Syracuse who met with an accident recently the member wrersorry to hear that Mr. Zimmerman was injured and upon motion duly seconded and carried the secretary was instructed to communicate with him exteding the sympathies of the association with best wishes for a speedy recovery.

Donation:- By member 49 a set of emergency money of Germany composed of porcelain

By Mr. Loizeau a beautiful specimen of the new peace dollar.

At the conclusion of the meeting a very spirited auction was conducted from the receipts of which a small sum was realized for the coin and medal fund.

Owing to the lateness of the hour it was deemed unwise to attempt to dispose of one lot consisting of 164 sets of emergency pieces from the provinces of Germany so it was decided to dispose of them at the next regular meeting.

Being no further business upon motion duly seconded the meeting adjourned until Tues. evening Feb. 21. 22.

In Memoriam.

We regret to learn that another vacancy in our ranks has been caused by death of our esteemed brother, A. S. Bostwick, Honorary member of the R. N. A. who on Dec. 20, 1921 after a brief illness was summoned to answer the roll call up yonder.

Our brother showed his patriotic devotion to the American flag by enlisting with the Union Army as soon as he had reached the proper age to volunteer for military service. On September 2, 1864 at Auburn N. Y. at the age of 18 years, he was mustered into Company A. 3rd. New York Light Artillery with which he served until the close of the War. He was an honored member of the G. A. R. and belonged formerly to the I. F. Quimby Post and more recently and at the time of his death to the Myron Adams Post of the G. A. R.

He had been interested in Numismatics for many years and was made an Honorary member of the R. N. A. in the year 1919.

We all recognized in him many estimable qualities. He was very agreeable and considerate to all the Brothers and we shall greatly miss his pleasant companionship.

During the last five years of his life he was Court Attendant in the Surrogate's Court of Monroe County and he became very popular with the Bar and all those having business to do in that Court on account of his genial and obliging manner and this faithful performance of all his duties as officer of the court.

" Sunday	" Plumb	

Communications:- Letters from Jeremiah Zimmerman, Syracuse, N. Y.
Thos. L. Elder, New York City, and member 49.

Motion made and seconded the above letters be filed. Carried.

Mr. Putnam announced that the exhibits in the coin room had been rearranged which resulted in providing additional space for more material to be displayed.

He urged the members to take advantage of this space as soon as possible and suggested the addition of American silver coins would greatly improve the appearance of the cases and have a tendency to create more interest in the exhibits in general.

Mr. Putnam's kindness in providing more space is greatly appreciated and a quantity of new material can be added to the collection of the association.

A number of good suggestions in connection with the above were discussed, while no definite action was taken; evidently some good material will be added to the collection in the near future, which under skillful supervision of the curator and the committee on coins should make a marked change for the better in the appearance of the coin room.

Exhibits:- By Mr. Gillette a number of beautiful medals from the Reichman sale one of which is known as the John Law medal also a U. S. cent dated 1823 restrike uncirculated and several Masonic Chapter pennies.
